AVERT BRITISH MINERS' STRIKE

Lloyd George Is Returning From Lucerne to Take Momentous Action.

TORIES WANT BATTLE

bor and Go to Country on Red Issue.

A SETTLEMENT EXPECTED

Premier Likely to Mediate and Forestall Peril of Industrial Collapse.

special Cable Despatch to THE SUN AND NEW YORK HREALD. Gopyright, 1950, by THE SUN AND NEW YORK HERALD. LONDON, Sept. 5 .- Two big jobs await

Premier Lloyd George when he reurns here from Lucerne. They are Ireland and the threat of an industrial collapse in England. There is to-day nore than a suggestion that the stage has already been set for him to settle the industrial problem, however. On the other hand, in so far as Ireland is concerned, nobody sees anything there save bloody chaos.

While the coal miners, with the socalled Triple Alliance (the union or- opposite Tammany Hall, are held, has police guard and the furnishing of ganizations of the miners themselves, been kept for several years under a normal day service on all of the imof the railroad men and of the trans- small table some ten feet from the portent surface lines without serious port workers) behind them, are unex- front door of the store and in plain mishap dismayed the strikers further. pectedly consolidating, meanwhile view of the street.
